ABOVE THE FOLD

We are honored to announce that Pidgeon & Co. is officially WBENC Certified.

We are honored to announce that Pidgeon & Co. is officially WBENC Certified. So, what exactly is WBENC? WBENC or Women's Business Enterprise National Council is the largest certifier of women-owned businesses in the U.S. and a leading advocate for women business owners and entrepreneurs. Their world-class certification standard is accepted by more than 1,000 corporations representing America's most prestigious brands in addition to many states, cities and government entities. We are absolutely thrilled to be amongst such an amazing group of women.

This year's Massachusetts Conference for Women brought big names to Boston. Now in its 14th year, the Dec. 5-6 conference featured a program packed with speakers, book signings, roundtable discussions, and networking events. More than 17,000 women were in attendance.

"This is the work that is most proud of me"

CONSTRUCTION

Pidgeon & Co. is steadily growing its construction portfolio and project expertise.

Pidgeon & Co. is steadily growing its construction portfolio and project expertise. The flock is pleased to announce new partnerships with Brato Brewhouse + Kitchen to deliver its flagship restaurant and brewery; a construction management contract with Eastern Bank and Jones Lang LaSalle; as well as an undisclosed higher-ed institutional client in Boston.

Recently completed projects include Earthwatch Institute, a Tenant Fit Out for Harvard Real Estate; MSIC gut renovation in Newton Ma; and consulting for Boda Borg Boston's latest quest and training room.

DESIGN BUILD_Commercial

Form follows function, follows cost; clients love our design build model.

We are excited to announce our partnership with btcRE, a boutique investment and consulting firm that brings hands on, local, creative expertise to serve their clients. Our current design build program includes Envelope Upgrades, Core and Infrastructure Improvements in addition to a New Elevator. This turn of the century brick and beam diamond in the rough is about to receive the attention that it deserves!

FLOCK OPINION

"I could perform test fits all day!" Managing our interiors department, Allyson is a standout and a welcome addition to our growing flock. Providing client and staff insight and quality control from schematic design through construction, she thrives in her role providing thoughtful and well executed design.

Allyson Pardek, Interior Design Lead
Interiors Department, Pidgeon & Co.

We are pleased to announce another new addition to our growing team! Dan is a carpenter by trade and has an extensive background in construction. Make sure to say hello when you see him on your project site!

Dan Armstrong, Assistant Supervisor
